Grant Application Packet

Our Valued Faculty and Staff-

As another calendar year begins a school year reaches its midway point. Believe it or not, it is time to begin planning for next year 2017/2018. One of the more exciting times has been the application and awards of the Canton Educational Foundation's Innovative Teaching Grants. During the five years the Foundation has been in place, we have been honored to place \$100,000 into the classrooms of CISD. This is money currently being used in Canton ISD benefiting our educators and ultimately our students.

We hope and expect 2017 to be just as successful and possibly even more competitive. Teams of local volunteers are currently diligently to raise money that will be used to fund these grants. Partnering with the Rotary Club we have already raised over \$12,000 in the 2016 golf tournament. The gala and auction are approaching and we will culminate with our Celebration of Stars. Please encourage anyone you can to attend these events and to help us raise the funds we need to continue these wonderful projects.

The application for grant funds is attached to this cover. Canton is blessed with many creative and motivated educators. We encourage you to let your imagination be your guide. Dream of what might be and put in the application. Our teams are working hard to raise enough to fund them all, but in case we fall short, strive to make yours stand out.

If you have an idea for innovative teaching and would like to apply for funds, please take an application and begin to review the attached information. Grants for this cycle will be due February 6 and the awards should be made in April. We are blessed to have a retired educator and grant writer on our team to assist those who need it. Her name is Linda Freeman and she can be reached at LindaF214@aol.com. You can also email me at tlp80@aol.com and I will be happy to help in any way I can.

The vision for the Canton Educational Foundation is to build an organization that will grow and provide a supplement to Canton ISD teachers for years to come. We are honored to serve you and appreciate your support and patience as we begin this exciting journey.

Sincerely,

Terry Patterson
